

# MORGAN HEMMINGSON

[www.morganhemmingson.ca](http://www.morganhemmingson.ca)

I am currently enrolled at the University of Calgary and am studying to be an elementary teacher. I have just finished my third field experience in my two-year after degree. I am a results-oriented, high-energy professional who works well independently and in teams, and who excels in dynamic environments.

## University of Calgary

### ***Bachelor of Arts, Psychology Major (2018-2022)***

### ***Bachelor of Education, Elementary - English Language Arts (2023-2025)***

## Field Experiences

### *Field Experience I: October 10 2023 – October 20 2023*

- K-6, Calgary AB
- Observed and assisted in daily classroom functions in grades 1-6
- Attended all professional development opportunities and staff meetings

### *Field Experience II: March 12 2024 – April 12 2024*

- Grade 1, Calgary AB
- Developed and implemented lessons for both small group and whole class generalist instruction, differentiating for a wide variety of learning needs
- Attended parent teacher interviews, assemblies and other school events, and all staff meetings and professional development opportunities

### *Field Experience III: October 29 2024 - December 6 2024*

- Grade 1, Calgary AB
- Developed and implemented lessons for whole day, whole class generalist instruction including art and physical education while differentiating for a high ELL and high speech code classroom
- Attended professional growth sessions to further develop my pedagogy and extend my learning

## **Work Experience**

### ***Prep Academy, Calgary Alberta***

*Contract Tutor – July 2024 - Present*

- Manage session dates and times independently in collaboration with the parent of the student
- Design, create materials for, and implement personalized and diverse learning experiences to cover concepts students are struggling with or to help them get ahead academically
- Create and use different learning games to make the concepts fun and engaging

### ***Calgary Board of Education, Calgary Alberta***

*Casual Special Needs Education Assistant – May 2024 - September 2024*

- Replaced staff absences as needed to work with students on Individual Program Plans who require an educational assistant for some or all of the school day
- Provided instruction to the student per their scheduled routine from the teacher
- Ensured the safety and supervision of the student at all times, providing personal care when needed
- Assisted other students in the classroom with their instruction as directed by the teacher

## **Skills and Certifications**

- Standard First Aid & CPR/AED Level C (expiry date 2026-07-10)
- ASIST: Applied Suicide Intervention Skills Training (expiry date 2026-10-22)
